SARAH NETBURN, United States Magistrate Judge:

The Court has been advised that the Plaintiff and Defendant Kazlow have settled their claims. Accordingly, the Court recommends that Judge Abrams issue an order dismissing the claims against Defendant Kazlow with prejudice but with leave to reopen within 45 days. Separately, the Court requests a status letter regarding the settlement efforts with the remaining defendants by December 14, 2022. If that letter contains confidential information it may be emailed to chambers and not filed on the docket.

SO ORDERED.
